

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 3, 1995

SUBJECT: **SB 785 - HB 1023**

This bill, if enacted, will authorize county departments, agencies and offices, working in conjunction with the sheriff's office, to sponsor or participate in a *sober ride program*. This program will provide rides to those who request them in order to avoid driving under the influence of drugs or alcohol.

The fiscal impact on local governments from enactment of this bill in and of itself is estimated to be minimal since the provisions of the bill are permissive.

The fiscal impact from enactment of this bill is estimated to be an increase in first year local government expenditures to the extent local governments participate in such *sober ride programs* for transportation expenses and any liability incurred; however, a reasonable estimate of any increase in expenditures cannot be determined but is estimated not to be significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
